JIUSHENG HEAT EXCHANGER
Construction Machinery Series

www.china-heatexchanger.com

Welcome to JIUSHENG

JIUSHENG HEAT EXCHANGER CO.,LTD is the leading designer and manufacturer of Aluminum plate-fin heat exchangers in WUXI CHINA, with years of persisting effort, JS has developed and manufactured wide ranges of aluminum brazed heat exchangers for a variety of industries, like Construction Machinery, Agricultural and Forestry Machinery, Air Compressors, Oil Gas Exploration, Automotive Vehicle and other special applications all over the world.

Nowadays we have developed over 10,000 items of products for your choice and our strong R&D team can also offer you professional customized service, with certificated test as Proof Pressure Test, Burst Pressure Test, Heat Rejection Lab vs Design Target Test, Pressure Cycling Test, Thermal Fatigue Test and so on.

All JS members strive to achieve whilst delivering high quality, cost effective, results to our customers on-time, and zero harm in all our workplaces. JS HEAT EXCHANGER welcome you all the time!
